1. Approval of last meeting's minutes

Motion: to approve the minutes from last meeting.

Resolved: approval of the minutes.

2. Halloween

Ongoing:

The event will take place on Sunday 29th October, in the common room. We have a series of Halloween-themed games organised and planned by **VALERIO**, like a pumpkin carving competition, baking competition, apple string biting, beer pong, mummifying competition, Halloween mini boxes etc. There will also be cocktails/mocktails available. The event will commence at 17:00 in the common room. From there, teams will return to their floors for the bake-off and pumpkin carving. After two hours, we will gather in the common room for games and drinks.

Remember, no brunch on Sunday 29th!

3. Bonfire night

Resolved motion:

We will meet in the **Wilkinson lobby at 19:00 on the 4th November**, and take a half-hour walk to Battersea Bridge, from where we'll watch the fireworks (which start at 20:00). Students will be accompanied by hall seniors **ZOLTAN** and **ELOISE**. After the fireworks, we can grab hot chocolate, and walk back to Wilkinson.

4. Hall equipment

We put forward plenty of ideas, like purchasing a smoothie machine, speakers with built in amps and a balloon pump. Prices and specific products will be brought up in the next meeting. For now, if you have any suggestions for hall equipment, make sure to fill out the spreadsheet on the Google Docs Hall Committee folder, with your **description, specific price and link** for the product (not estimation).

5. Hall merch

Motion: to design Wilkinson Hall's very own hoodies and sweatshirts!

Resolved: the committee unanimously agreed to this motion. **ALEX** and **KEQI** volunteered to oversee this project, and will bring in an estimate budget/designs for the next committee meeting.

6. Hall trips

We will have one one-day minibus coach trip per term to coachable destinations nearby, like Stonehenge. Residents who wish to attend **will have to pay most of the trip's cost**. The hall can only take about 30 students per trip. By subsidising the trip, it would only be unfair for those students left behind.

A larger overseas trip - a weekend, three days max - will be organised once a year. We recommend all hall residents think about potential destinations, preferably reachable by train or coach (so not Hawaii). The committee is open to ideas! **SHAREN** and **ALYSSA** are in charge of organising the Europe trip.

7. Cleaning, maintenance, health and safety

Conor stressed the importance of submitting a report if anything in your room, kitchen or hall is faulty. Wilkinson is our home, let's try to keep it as best as we can!

8. Miscellaneous

Unresolved motion: we also thought about partially subsidising floor dinners – if more than half the floor attends -. This will be discussed in the next meeting.

Meeting adjourned at 20:55 by Azmat Habibullah
