1. Approval of last meeting's minutes

The committee read though and approved last meeting's minutes.

2. Budgeting

The committee ran through the numbers. Approximately £800 were spent on the Christmas dinner and £40 were spent on the Christmas brunch.

3. Hall equipment

Thanks to your suggestions, all our requests for Hall Equipment were accepted (except the dartboard, needless say why).

4. Past events feedback

- Ice skating: fewer people than expected attended the Hall Ice Skating trip. For this reason, we decided that perhaps next year, floors should individually organise their own trips.
- Karaoke nights: this term, we had a very successful karaoke night. For this reason, another of these will be held next term. Come join us.

5. Future events

- Talent show: the Hall will hold its very own talent show next term! A subcommittee - **GEORGIOS, ZOLTAN, ELOISE** - has been assigned to oversee this.
- Hallympics: **FRANZ** and **VALERIO** will organise this event during our second term too.

Dates for the events above have not yet been specified, but will be during the next term.

#### 6. Hall trips

- Bruges trip: the risk assessment and general logistics have been sorted, but we are yet to receive confirmation from hostel/coach. Keep an eye on our Facebook for more information. There will be 47 places for students. First come first served! This trip is also open for under 18's.

#### 7. Secret Santa

Zoltan's was the best gift. Thank you Azmat.
